

B cell and T cell phenotyping

 Guy G Gorochov

Updated date: Apr 14, 2021

 An abbreviated version of this protocol was published in Science Translational Medicine in Jan 2021

IgA dominates the early neutralizing antibody response to SARS-CoV-2

DOI: [10.1126/scitranslmed.abd2223](https://doi.org/10.1126/scitranslmed.abd2223)
